

BUILDING OWNER'S GUIDE

EMPOWER
ENERGY
SOLUTIONS

ONLY 9 STEPS TO GET CONNECTED TO OUR DCS

- Step 1: Fill in the attached application form (annex 1). This form will help our sales team to provide you with full information about your project and the proposed cooling solution.
- Step 2: Our sales team will be sending you:
 - a) Non Disclosure Agreement (NDA)
 - b) Offer letter
 - c) Acceptance of offer format (annex 2)
- Step 3: Send back to us the signed NDA and the acceptance format along with the administration requirements (annex 3)
- Step 4: Fill in the NOC request form (annex 4) and send it along with step 3 requirements
- Step 5: After we receive all the requirements, the contract will be made and sent for you review and approval
- Step 6: Send back the signed contract to the sales executive
- Step 7: You should apply for construction NOC (annex 4)
- Step 8: You should apply for handing over NOC (annex 4)
- Step 9: Congratulations, you are now ready for connection
